VINIFICATION

The grapes are machine harvested, gently crushed, de-stemmed and aged in the traditional stainless steel tanks. The contact of the must with the skins imparts the wine's intense ruby-red color.

COLOR

Very bright ruby-red color with inviting purplish highlights.

BOUQUET

Lively, shows fresh raspberry, plum and dark cherry with notes of lavender, sage, and sweet tobacco.

PALATE

Dry but well balanced with juicy cranberry, dark chocolate, and subtle spice. Delicate tannins lead to a mineral-filled finish.

FOOD PAIRINGS

Pairs perfectly with traditional Italian style cold cuts, pasta with creamy tomato sauce and assortment of fine cheeses.
