VINIFICATION

The grapes are hand picked, softly pressed and transferred to stainless steel tanks where the must remains in contact with selected yeasts at the controlled temperature of around 64°F. in order to bring out all the wine's fruity perfumes and aromas. The must ferments for 6 months, in stainless steel and partly in oak.

COLOR

Straw-yellow with pale green undertones.

BOUQUET

Intense and fruity with notes of hawthorn, ginestra (broom flower), and almond.

PALATE

Crisp and refreshing with an appealing bitter finish.

FOOD PAIRINGS

Pairs perfectly with bruschetta, fresh pasta with vegetables or grilled chicken.
