VINIFICATION AND MATURATION

The grapes are harvested with great care and undergo a gentle crushing before being delicately pressed. The must ferments at a controlled temperature of around 64° F., in order to preserve the wine's fruitiness and organoleptic complexity.

COLOR

Bright straw yellow, highlighted by greenish reflections.

BOUQUET

Extremely fresh with citrus fruit notes of pineapple, grapefruit, and lime zest.

PALATE

Fresh and pleasantly dry with a well-balanced acidity, desirable mineral notes, and green apple on the finish.

FOOD COMBINATIONS

Excellent as an aperitif; ideal with fish soups, calamari, shellfish and seasonal vegetable pasta or risotto.
