

Take your pick from the World of Wines

The World of Wines shop at Blue Harbour, Ta' Xbiex marina, is Malta's first wine boutique that promises the most prominent world class wine brands that are locally available from a various number of dedicated importers. The wines of Palladino, Zonin, Masi, Gaja, Frescobaldi, Luce, Antinori, Banfi, Buondi Santi, Donna Chiara and Donnafugata are just a part of extensive Italian portfolio. Bordeaux and Burgundy Grand Cru are being literally cascaded down to many rarely known 'village' wine appellations. The choice of Champagne is spread over by large selection of greatest names and formats that currently go up to six litres (8 bottles).

Sasseo Primitivo 2012 – Masseria Altamura Puglia IGT, Italy

The grapes are grown on a terrain of reddish earth mixed with slabs of limestone that have been crushed according to the unique technique known as spietramento. The grapes are machine harvested, then gently crushed and de-stemmed. The must is then fermented over a period of 14 days at temperatures of 25-28 °C. Following fermentation, the wine is aged for 12 months in 6,000 litre Slavonian botte, followed by three months of aging in the bottle.

Smoky cola and plum flavors

feature some intriguingly briary notes, but also veer toward prune and cooked fruit. Tannins are soft, but the wine is surprisingly tart on the finish. With its crisp acidity, expect it to pair well with tomato-based sauces.

A wine of a good body, it has a mouth-filling flavour that is warm and soft and expresses a highly mature fruitiness, supported by a pleasant complex of sweet tannins.
