VINIFICATION

The Moscato d'Asti grapes are meticulously selected from our best vineyards located in the heart of the Asti DOCG area. The juice is stored and fermented in stainless steel pressurized tanks. The sugars in the juice are then partially transformed into alcohol (approx. 90 g./L.) slowly developing the wine's natural sweetness.

COLOR

Straw-yellow with bright gold reflections.

BOUQUET

Fresh floral aromas and hints of apples and a touch of honey.

PALATE

Sweet, fresh with superbly balanced fruit and satisfyingly persistent.

FOOD PAIRINGS

An excellent match with biscotti, pastries, cakes and tarts.
