## VINIFICATION AND MATURATION

The must is obtained from gently pressed grapes. Half of the must undergoes an initial fermentation at 64°F while the remaining 50% is stored at 32°F as unfermented must. Following the traditional Charmat method, the must is combined and transferred into pressurized stainless steel tanks where the wine transforms into sparkling wine.

## COLOR

Pale, straw yellow with subtle green hues with a persistent perlage and rich mousse.

## BOUQUET

Refined and elegant, enhanced by pleasing fruity notes.

## PALATE

Dry and pleasantly fruity with a fresh, aromatic note on the finish. It also reveals an abundance of almonds, and fresh citrus notes.

## FOOD COMBINATIONS

Enjoy with caprese salad, crab cakes, pan-seared salmon with lemon and basil, chicken pesto with angel hair pasta or all your fine desserts.
