CA' BOLANI AQUILIS

Friuli Aquileia DOC

VINIFICATION AND MATURATION

What makes this wine very special is how we create five-six distinctly separate styles of wine, all of which are from hand-picked grapes. We then blend each clone separately, 80% in steel and 20% in oak to produce the highest quality wine in Friuli. If certain vats that come out don't meet the winemaker's standards for Aquilis, they are blended with the regular Sauvignon Blanc. That is why we produce each vineyard/lot and clone separately. We use three different vineyards, but only the top producing parts are used to produce this world class white wine.

COLOR

Gold and emerald tones.

BOUQUET

Prominent floral and herbal notes, mixed with scents of fresh elderberry, papaya, passion fruit and mingled with minty notes.

PALATE

Fresh and full, well-balanced with a silky texture and reveals a mouthwatering lemon meringue with crushed chalk minerals that lead to a long and refreshing finish.

FOOD COMBINATIONS

Seafood, vegetable dishes, and ethnic cuisines
